Book Details:

Review: Arthur and the Minimoy was a decent little story, definitely targeted to a younger crowd (pre-teen) and was a relatively decent read. The whole idea was simple yet very interesting. I only had two issues with the book. First, there's a definite issue with relative scale. I'm willing to believe in the tiny Minimoy population that's barely 1/2 tall....

Description: Deep underground, the Minimoy are waiting . . . for a champion. Arthur's grandfather disappeared four years ago. All he left behind are his notebooks full of stories about little -- known African tribes—including the Minimoy, a miniature people who are all less than one inch tall. But the Minimoy can't possibly be real . . . can they? Arthur is about...
